

Name of the Event: **Inauguration of Center of Excellence (CoE) “Innovation in Blockchain” in association with i4C and Knowledge Partner Indian Blockchain Alliance (IBA)**

Date: 08/01/2025

The objective of the event was to inaugurate the Center of Excellence (CoE) "Innovation in Blockchain," initiated by the Department of Computer Engineering (Regional Language) at Pimpri Chinchwad College of Engineering (PCCoE). This initiative, organized in collaboration with the Inter-Institutional Inclusive Innovations Center (i4C) and Knowledge Partner, Indian Blockchain Alliance (IBA), aimed to provide a platform for fostering innovation and excellence in blockchain technology. The CoE seeks to empower students and researchers to explore blockchain's vast potential and its applications in various sectors, thereby contributing to technological progress and industry-academia collaboration.
