Preamble:

The Institute will allow internships in various organizations. Students will be allotted internship in a company based on merit or any other criterion laid down by the company. In some cases, the students may be allowed to arrange internship. In that case a student can take a letter from the placement/respective department and contact the company. The confirmation letter from the company has to be submitted in the placement / respective department.

Students will be associated with one faculty from respective department who will act as internal mentor. After internship duration, internal mentor will assess the student's performance.

Students will maintain the record of the work done in the industry and submit a report in the institute within one week after completion of internship. The certificate has to be duly signed by an official of the company. The evaluation date will be notified at least one week before by internship coordinator.

General Guidelines:

Student can take internship work in the form of Online/Onsite mode from any of the following but not limited to:

- Industry / Government Organization Internship
- Eduskills, Internshala, ByteXL (Platinum Placement) etc.
- EDC Cell and startups cells of institute / In-house product development, intercollegiate, inter department research internship under research lab/group etc.
 - Here, students can work as an Incubitee under Incubation and Innovation Cell at Institute (CIIL) and should get registered as a Start-up to avail the Internship opportunity.
- Research internship under Professors (Internal and External), IISC, IIT's, NIT's and other Research organizations.
- Participate in open-source contribution
- Any other with the permission of a faculty mentor.

Internship Process Flow:

1. Internship opportunity will be provided by 3 ways- Through Training & Placement Cell, Through Department/Faculty/Searched by own (Students).
2. The student has to take permission from faculty mentor and internship coordinator to verify quality of internship.
3. Student has to submit the Internship offer letter or official mail communication proof to internship coordinator.
4. After permission the student needs to start the Internship program.
5. The intern student must report about the Internship program to faculty mentor.
6. At the end of the Internship program, student should submit completion certificate from industry and report.
7. Student feedback of Internship needs to be submitted by intern student.

Internship Work Evaluation:

- Students will be allotted to faculty mentors.
- Students will be allowed to do internship at the end of 6th semester and till the commencement of 7th semester.
- Students will do internship for minimum of 4-weeks (40-45 hours/week) through which they can earn 3 credits.
